29th September 2017

Dear Parents and Carers,

Over the next two weeks, we will be taking part in the Redbridge cycle to school challenge which runs **from the 2nd – 13th October**. During that time frame, any child who cycles or scoots to school (walking will not count), will receive a raffle ticket for every day that they cycle or scoot, which will be entered into a raffle to win some prizes that will be drawn in assembly at the end of the fortnight.

As we anticipate a greater number of bikes and scooters during this challenge, pupils are invited to use the playground perimeter fencing along with the bike shed at the front of the school to park their bikes during the day – please ensure that these do not block emergency exits and entrances around the site and bikes and scooters should be stored securely as the school cannot accept any liability for loss or damage – during the day the school gates will be secure.

For the past two years, the Redbridge School that had the greatest participation throughout the fortnight, has won a trip for their class to visit the Queen Elizabeth Velo Park at the Olympic Park in Stratford, and Mossford Green won both times!

I am delighted to tell you that on the last day of the challenge (Friday 13th October), any pupil who cycles to school (scooting and walking won't count this day) will receive a **free bikers breakfast** in the Olympic Hall at 8:10am.

If you wish your child to take-part in the bikers' breakfast please ensure that you return the reply slip to the school office by 9:15am Thursday 12th October to enable us to cater accordingly.

It has been great seeing the children excited about their journeys to school using their bikes and the class 'pool' scooters, but can I please remind you that **no pupil should be riding their scooter or bike inside the school grounds**. Please ensure that your child walks their bike or scooter from the school gate - We have a great number of younger siblings and also babies in pushchairs and it would be awful if a child on a bike or scooter caused an accident – thank you in advance,

Miss H. Birkett
(Assistant Headteacher)

Mossford Green Primary School

Bikers' Breakfast 8:10am on 13th October 2017 - Please return to the school office by 9:15am Thursday 12th October

My child _____ in class: _____ will be **cycling** to school on the 13th October and wishes to have a free bikers' breakfast.

Signed : _____ (Parent/ Carer)
