

**Planning**

To think of ideas and plan what to do next, based on experience of working with materials and components

**Designing**

To use models, pictures and words to describe their designs

# Design & Technology

## Year 2 objectives

**Construction**

To choose suitable tools, techniques and materials, and explain why they chose them

To use tools and assemble, join and combine materials and components in different ways

**Evaluation**

To recognise what they have done well whilst making and suggest things that they could do better
