

**Planning**

To generate ideas and recognise that designs have to meet a range of different needs

To make realistic plans for achieving their aims

**Designing**

To have clear ideas when asked and use words, labelled sketches and models to share the details of my designs

To think ahead about the order of work, choosing appropriate tools, equipment, materials, components and techniques

# Design & Technology

## Year 3 objectives

**Construction**

To use tools and equipment with some accuracy to cut and shape materials and to put together components

**Evaluation**

To identify where evaluation has led to improvements
