

Some of the questions we hope to answer this term are...

How are animals classified?

Where in the world is Bangladesh?

Who was Henri Rousseau?

What is the difference between physical and human features in geographical terms?

What is daily life like in Bangladesh?

What is a rickshaw?

What does a Bangladesh market look like?

What is an earthquake? How do they happen?
How are they measured?

During this term we are hoping to enrich the learning with...

We are planning to have a drama day focusing on aspects of daily life in Bangladesh

We intend to visit a mosque

Do you have any experience or information that will enrich our learning journey?

*Please let us know if you can contribute to our learning in any way by talking to your child's class teacher.

****We would be incredibly grateful if any parents who can play traditional Bengali instruments, share knowledge or teach traditional dances could contribute this term. Please come and speak with Ms Shah if this is something you are prepared to do.***
