

Some of the questions we hope to answer this term...

- What creatures live under the sea?
- What are some of their features?
- Which objects will sink and float?
- What causes plastic pollution?
- What are the physical and human features at the seaside?
- How has going to the seaside changed compared to the seaside experience many years ago?
- What is a mermaid?

Summer Term - Year 1 and 2

In Key Stage 1 our Learning Journey is...

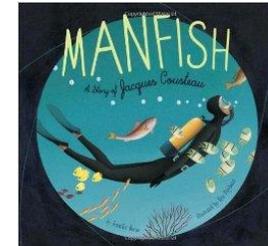

Sea, Sand and Shores

Dougal the deep sea diver

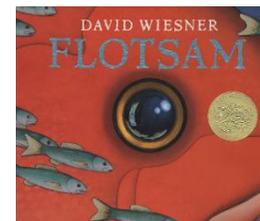

What is a diver?
What equipment is he using?
What does he look like?
What do you think will happen?

Manfish

What makes the ocean dirty? How can we save the environment?
Who is Jacques Cousteau? What is he remembered for?

Flotsam

What do we expect to see at the seaside? Can you predict what the book will be about?

Mermaid

What are legends and myths?
What do mermaids look like?
Who is Freya? How can we help her?

This term we are going to enrich the learning with...

- Exploring clues in our seaside classrooms
- Learning about the names and features of various sea creatures
- Reading about and writing descriptions of life beneath the sea
- Researching and writing reports about sea animals
- Learning about food which comes from the sea and designing and making our own fish fingers!
- Creating sea themed dances and music
- Visiting the seaside

If you have any experiences or information that could add to this work, please advise the class teacher.
